and charges and modifications to certain terms and conditions for the  
provision of water and sewer service; Docket No. 2006-107-WS

Dear Mr. Terreni:

Enclosed for filing please find the original and five (5) copies of the Further Supplemental Responses of United Utility Companies, Inc. to the First Continuing Data Request of the Office of Regulatory Staff in the above-referenced matter. By copy of this letter, I am serving counsel for the Office of Regulatory Staff with a copy of same and enclose a certificate of service to that effect.

It is our understanding that the Commission no longer desires that attachments to written responses be filed with the Commission. Accordingly, no attachments are included with this filing, but they are being delivered to the Office of Regulatory Staff.

I would appreciate your acknowledging receipt of this document by date-stamping the extra copy that is enclosed and returning it to me via our courier delivering the same. If you have any questions or if you need any additional information, please do not hesitate to contact us.

Sincerely,

**WILLOUGHBY & HOEFER, P.A.**

In setting forth its answers, Applicant does not waive any attorney/client, work product, or other privilege which may attach to information called for in, or which may be responsive to, these interrogatories.
